# A VEGETARIAN LEGACY SINCE 1958

Cream Centre started in Mumbai over six decades ago, not just as a restaurant, but as a table where families gathered, stories unfolded, and flavours spoke louder than words. From dishes that taste like childhood to global flavours with a twist, we've spent years perfecting the kind of meals that feel like home. We're here to serve up nostalgia, comfort, and maybe, just maybe, your next favourite bite.
